1. Where and how to submit the quotation

1.1 The Bid Document shall be available at the office of the Director, Directorate of Government Printing, Stationery and Publications, 21-A, Netaji Subhash Marg, Charni Road (West), Mumbai – 400 004, and is invited from eligible Government Registered Valuers, Valuation Agencies or registered firms across India for appointment as Government Registered Valuer for inspection, verification, assessment and valuation of all obsolete, unserviceable and scrap materials, lying under the control of Government Presses / Government Stationery Stores / Government Typewriter Workshop functioning under the Government of Maharashtra.

1.2 Any modification or amendment to the tender documents shall be issued only through Addendum / Corrigendum, which shall form an integral part of the tender document and be made available by the department. The bidder shall not make any alteration, addition or deletion in the tender documents except as required for compliance with the Addendum / Corrigendum issued by the department. The bid shall be submitted only in the prescribed tender document and in accordance with all terms and conditions specified therein.

2. Authority of Signing

If the quotation is submitted by an individual, it shall be signed by him. If the tender is submitted by a proprietary firm, it shall be signed by the proprietor. If the quotation is submitted by a partnership firm, it shall be signed by all the partners of the firm or by a partner who has been authorized by all other partners to sign this quotation. If the quotation is submitted by a Pvt. Ltd/ Ltd company or a corporation, it shall be signed by a Director or legally authorized person. In the latter two cases there has to be an authorization letter for filling the bids.

3. Opening of quotation

The quotation shall be opened at the office of Director, Directorate of Government Printing, stationery and Publication, 21 A, Netaji Subhash Marg, Charni Road (West), Mumbai - 400 004 at the time date and venue as given in the "Quotation/Tender Notice".

4. Period of Validity of Quotation

The quotation shall remain valid and open for acceptance for a **period of 120 days** from the date fixed for opening the same. A quotation valid for a shorter period shall be treated as non-responsive.

5. Eligibility Criteria/Conditions

5.1 The bidder / valuer must be an Indian Company, Firm or Agency duly registered as a Government Valuer and engaged in valuation of obsolete, unserviceable and scrap materials in Maharashtra State.

5.2 Have experience in valuation of obsolete, unserviceable and scrap materials from the departments of the State/Central Government/PSUs/Autonomous Bodies of Maharashtra. (Copy of experience certificate issued during the last three years, i.e. 2024, 2025 & 2026 to be attached)

5.3 The interested bidder should have successfully completed at least 1 (One) valuation in the last 3 (Three) years from one day prior to date of bid submission. (A true copy of the certificate from the client of the interested bidder to be produced for successful completion of the asset valuation)

5.4 Submit the name of the company/firms proprietor's/partners, Government Valuer Registration Certificate {**Insolvency and Bankruptcy Board of India (IBBI)**}, Under registration number along with certificate, GST registration number, PAN number.

5.5 **The interested bidders should be a registered valuer with Insolvency and Bankruptcy Board of India (IBBI), Under Companies Act, 2013. The bidders must be registered with the asset class of Plant and Machinery.**

5.6 Not have been blacklisted by the Departments/Ministries of the State/Central Government/PSUs/Autonomous Bodies of Maharashtra.

5.7 Also required information has to be submitted in the prescribed Annexure format.

6. Period of Contract

6.1 Time period for the work is **one year** from the date of appointment, which shall be extendable for a period of one more year at the same rate, terms & conditions only if the services of the valuer are found satisfactory during the normal period of contract.

6.2 The appointment normally stands terminated after the expiry of the period of the contract. However, the DGPS reserves the right to cancel the contract at any point of time in case of any violation of contract condition or scope of work or in case of unsatisfactory service and may blacklist the valuer for any time period appropriate to the violation.

7. Working Hours

The Government Registered Valuer shall be responsible for carrying out inspection, verification, assessment and valuation work as and when required by the Directorate of Government Printing, Stationery and Publications (DGPS), concerned Government Presses / Government Stationery Stores / Government Typewriter Workshop or any officer authorized on behalf of the department during the entire period of appointment, without claiming any additional remuneration other than the approved contractual charges.

8. Allocation of Work

The allocation and distribution of valuation work among the appointed Government registered Valuer(s) shall be carried out in the State of Maharashtra Government Presses / Government Stationery Stores / Government Typewriter Workshop situated at - Mumbai, Nagpur, Pune, Kolhapur, Chhatrapati Sambhajnagar, Wai, Nashik & Akola.

9. Time Period for Completion of Service/Work

The bidders are required to complete the aforesaid Service/Work in all respects within a **period of 45 days** from the date of issue of appointment work order and submit its Valuation Report. Notwithstanding the submission of the Valuation Report, the Government shall have the right to call upon the Valuer for making presentations or its report before any committee or officials of the

Government and to respond to any queries/clarifications as the Governments may seek and further, to provide support to the Government on valuation issues post submission of final report.

10. Experience Criteria

The bidder / valuer should possess adequate experience in inspection, technical assessment and valuation of obsolete and unserviceable machinery, condemned stores, printing machinery, metal scrap and other scrap materials. Preference shall be given to Government Registered Valuers / Firms having prior experience of carrying out similar valuation work for Government Departments, Public Sector Undertakings, Autonomous Bodies or reputed industrial organizations. Documentary proof of such experience, including copies of work orders, completion certificates or client references, shall be submitted along with the bid documents.

11. Detailed Scope of Work

The Government registered Valuer appointed by the department shall carry out inspection, verification, technical assessment and valuation of obsolete, unserviceable and scrap materials available at Government Presses / Government Stationery Stores / Government Typewriter Workshop situated at - Mumbai, Nagpur, Pune, Kolhapur, Chhatrapati Sambhajnagar, Wai, Nashik and Akola.

The scope of work shall broadly cover the following activities, including but not limited to:

11.1 Physical Inspection and Verification

The Valuer/Bidder shall conduct a detailed physical inspection of all obsolete, unserviceable and scrap materials available at the Government Presses / Government Stationery Stores / Government Typewriter Workshop premises, including printing machinery, dismantled machinery parts, metal scrap and other miscellaneous condemned stores.

The inspection shall include verification of the quantity, approximate weight, physical condition and present status of the materials and machinery.

The Valuer/Bidder shall inspect the materials thoroughly before quoting rates, and no claim or dispute regarding quantity, weight, quality or condition of the materials shall be entertained at a later stage. All inspections shall be carried out strictly during office hours only.

All the expenses incurred during valuation will be borne by valuer and all the equipment required for valuation should be arranged by valuer.

11.2 Valuation and Assessment

The Valuer shall determine the fair market value, reserve price and scrap value of all obsolete, unserviceable and scrap materials based on prevailing market conditions and current industry trends.

The Valuer shall also consider the prevailing market rates of various scrap materials while assessing the valuation and shall recommend an appropriate reserve price for disposal through e-Auction or any other approved mode of disposal in accordance with Government rules and procedures.

11.3 Submission of Valuation Report

The appointed Valuer shall submit comprehensive valuation reports and related documents, including a detailed item-wise Valuation Report containing assessment findings and observations, category-wise valuation statements indicating quantity, condition and assessed value of the materials, and a recommended Reserve Price Statement for auction or disposal purposes.

Further, the Valuer shall furnish a Final Certification Report confirming the valuation methodology adopted and the assessed scrap value of the materials proposed for disposal.

11.4 Advisory and Technical Support

The Valuer may also be required to clarify the valuation methodology, basis of assessment and calculations adopted in the valuation report and to provide technical assistance and guidance to the Departmental Committee during disposal, auction or e-Auction proceedings.

The Valuer shall furnish supporting documents, explanations, clarifications and additional reports, if required, during the auction, scrutiny or approval process, and shall attend meetings, inspections or discussions convened by the Department in connection with the valuation and disposal of obsolete, unserviceable and scrap materials.

12. Safety

The Valuer shall take all necessary and mandatory safety precautions at the site during the execution of valuation work and shall strictly comply with all applicable safety protocols and regulations. The Valuer shall make all required safety arrangements at his own cost and shall be solely responsible for any accident, injury, loss, damage, criminal liability, or civil liability arising during the course of the work. The Department shall not be held responsible or liable for any such incidents. Further, no material shall be removed from the premises without prior written permission of the Department.

13. Confidentiality

All records, documents, information and data pertaining to the valuation and disposal process shall be treated as strictly confidential by the Valuer and shall not be disclosed, shared or communicated to any third party without prior written permission of the Department.

14. Requirement for Financial Quotation/Tender/Bid

The valuer shall mention his quotation/tender for valuation work in Indian Rupees. (Inclusive of all the expenses/charges) (To be mentioned in figures and words separately) **(Annexure-5)**. Hence rate quoted must be excluding of all expenses/charges.

The valuer shall bear all costs associated with the preparation and submission of their quotation/tenders and the Department will in no case be responsible or liable for those costs, regardless of the conduct or outcome of tendering process or the cancellation, if any, of tender by the Department

After evaluating the financial bids received under Envelope-2, the valuer who ranked the lowest (L-I) Price will be awarded the work. In case the financial bid of more than one of Firm/Company/Agency is same as L-I, then the Department will be assigning marks to various eligibility parameters like relevant experience etc. of such L-I valuers and work will be awarded to the valuer who scores highest marks, among the L-I valuers.

15. Terms of Payment Conditions

100 % Payment shall be released only after submission and acceptance of the final valuation report and related documents by the Department, and all applicable taxes, duties and statutory deductions shall be deducted at source as per prevailing Government rules and regulations. No advance payment will be made.

16. Disqualification Conditions

The bid/quotation shall be liable for rejection or disqualification under the following circumstances:

16.1 If the quotation/bid is incomplete, unsigned or not submitted in the prescribed format.

16.2 If any required documents, certificates, declarations or supporting papers are not attached.

16.3 If false, misleading or fabricated information/documents are submitted by the bidder.

16.4 If the bidder has been blacklisted, debarred or suspended by any Government Department, PSU or statutory authority.

16.5 If the financial bid/price details are found enclosed in the technical bid envelope, wherever separate bid system is applicable.

16.6 If the quotation contains overwriting, corrections or alterations without proper authentication/signature.

16.7 If conditional quotations or conditional offers are submitted.

16.9 If the quotation is received after the prescribed due date and time.

16.10 If the bidder fails to fulfill the eligibility criteria, qualification requirements or terms and conditions of the tender.

16.11 If the bidder fails to submit required experience certificates, registration certificates, GST documents, PAN details or any other mandatory documents.

16.12 If the bidder refuses to comply with departmental instructions, inspection requirements or tender conditions.

16.13 If any attempt is made to influence the tender process, valuation process or decision of the Department by unfair means.

16.14 Incomplete quotations and quotations not complying with tender conditions shall be summarily rejected without assigning any reason.

Subject:

Dear Sir,

1. I/We hereby certify that the valuation of obsolete, unserviceable and scrap materials has been carried out after conducting detailed physical inspection and verification of the materials available at the Govt. Printing Presses/Govt. Stationery Stores/Govt. Typewriter Workshop premises.
2. The valuation assessment has been made after considering the nature, quantity, condition, usability, recoverable value, salvage value, marketability and prevailing market conditions of the respective materials and scrap items.
3. I/We further certify that the assessed valuation is fair, reasonable and transparent and based on professional judgment, prevailing scrap market rates and relevant valuation principles applicable at the time of inspection.
4. I/We also confirm that the valuation report has been prepared independently and without any bias, influence or conflict of interest.
